HON. THEODORE ROOSEVELT.

Honorary Vice-President Public Schools Athletic League, New York.

President Roosevelt says in a letter to a New York schoolboy: "The Public Schools Athletic League has done fine work for the city, and for the country in introducing and promoting athletics and a love for manly sports in the public schools, especially as the League most wisely allows no one to compete who is not up to the passing mark both in studies and deportment."

THE PURPOSE

Wisely directed athletic sports are peculiarly needed by city boys. City boys have but little opportunity to do the kind of manual labor which has always been one of the main factors in physical development. The opportunity for play, under normal conditions, has been largely removed by not having space enough in the city for athletic sports. The boys themselves are unable to secure opportunities for their own development in these lines because of the large financial and administrative problems involved in a big city.

Physical vigor and power are just as closely related to the development of manhood as they ever have been. Realizing these conditions, a number of gentlemen have undertaken to help the boys of Buffalo in these directions. These gentlemen are the members of the Board of Directors named on previous pages.

This work cannot be done by the existing school organization, as this has to do only with the boys and girls during school hours. Because of the very close relation in the School Department the organization was initiated by those close to the school work, which accounts for the fact that such men as the Superintendent of Schools and others identified with the School Department have been the leaders in the organization of this work. Thus the league is mainly an organization to help the boys of the city in these lines, rather than an organization of the pupils themselves. The steps by which they hope to accomplish the ends are discussed in detail in this pamphlet.

While the more obvious endeavor is to cultivate athletics along existing lines by holding championship meetings and the like, the aim toward which this is a means is to increase the athletic spirit and practice among the great mass of pupils. Special endeavors, by giving buttons for a moderate degree of attainment, the holding of novice games, and the like, are most definitely related to the direct and ultimate purpose of the League. These are described in detail on other pages.

BADGE COMPETITION—SCHOOL TROPHY.

THE SPIRIT OF THE LEAGUE

*is best shown in the following appeal
to the boys of the city:*

"Bear in mind that in all your contests you should play fair; despise everything that is tricky or mean; abide strictly by the rules of the game; strive to win by your own superior athletic prowess; do not be a kicker hunting for technicalities upon which to base protests against your opponents, but accept the decisions of the officials of the games without complaint and in a sportsmanlike spirit. Do not unduly boast when you are fortunate enough to win; be a cheerful, manly loser when you do lose, and the first to congratulate your successful opponent. Remember, that to be a good athlete means to be a square, honorable gentleman. When on the grounds, and in going to and coming from them, always conduct yourselves as gentlemen."

AWAITING THEIR TURN, BUFFALO P. S. A. L. MEET, JUNE 6, 1908.

THE FIRST PUBLIC SCHOOL TRACK AND FIELD MEET

Interested in the New York Public Schools Athletic League, and desiring to test the practicability of the formation of a similar league for the city of Buffalo, the General Director of Playgrounds held a grammar school track meet on the Bird Avenue Playground, corner of Bird Avenue and Grant Street, on Saturday afternoon, June 8, 1907. As the meet was in a way experimental, it was announced that entries would be limited to the first ten schools applying. Seven schools entered: Nos. 16, 19, 45, 52, 53, 56 and 60.

On Tuesday, May 14, 1907, a representative from each of the above schools met at the Bird Avenue Playground and at a meeting presided over by playground officials, decided on the following list of events:

220 yards dash, half-mile run, 100 yards dash, quarter-mile run, relay race, shot-put, high jump and running broad jump. It was also arranged at this meeting that there should be but three entries from each school for each event, and that first, second and third places were to be considered, counting 5, 3 and 2 points, respectively. The competition resulted as follows:

School.	Points.	School.	Points.
No. 60.....	20	No. 56.....	6

SECOND ANNUAL TRACK AND FIELD MEET

The annual schoolboys' track and field championship meet of the Public Schools Athletic League, held Saturday afternoon, June 6th, at the Buffalo base ball park, was a gratifying success. More than 500 boys were entered in the sixteen events. When the fun was all over, it was found that School No. 20 had rolled up 28 points, beating out School No. 52 for first place by three points. No. 56 rolled up 24 points, just nosing No. 17 out of third place by one point.

It was a great day for the boys. They came from all parts of the city, in all ages and sizes and weights. Nearly all the schools in the city were represented.

CLASS A CHAMPIONS, 1907-8, BUFFALO GRAMMAR SCHOOL BASKET BALL LEAGUE.

GRAMMAR SCHOOL BASKET BALL

Organized in 1905 by the Young Men's Christian Association, with the co-operation of interested school principals, the Basket Ball League has had four years of successful competition, in which time over 700 school boys have participated. Five hundred and forty-three games have been played, as many as six games often being run off in one evening at the Y. M. C. A.

The silver trophy presented by the Boys' Work Committee of the Young Men's Christian Association has been won as follows: 1905, School No. 31; 1906, School No. 37; 1907, School No. 1; 1908, School No. 20.

With twenty-seven schools in the League the past year, the contests were played in the Boys' Gymnasias of the two branches of the local Young Men's Christian Association, the two groups being designated as Class A and Class B Leagues, the teams of greater average weight playing at the Central Department and the other at the Genesee Street Department.

The Y.M.C.A. Trophy Cup awarded to the leading team in Class A League was won by School No. 20.

The King & Eisle Trophy Cup awarded to the leading team in Class B League was won by School No. 10.

Medals were also awarded by the Y.M.C.A. to the players of the winning teams in both Class A and Class B Leagues.

The Governing Committee of the Basket Ball League consists of G. Barrett Rich, Jr., Arthur N. Cotton, F. R. Dennis, G. C. Von Neida, C. H. Burkhardt, W. W. Zurbrick, C. P. Alvord, H. R. Smallenberg.

"PLAY BALL,"

The A. G. Spalding Bronze Championship Trophy.

The above group is executed in bronze, the figures being 18 inches high, and was presented to the Public Schools Athletic League of Greater New York by Mr. A. G. Spalding as a perpetual trophy for annual competition between the elementary schools of Greater New York, the winning school to have custody of the statuette for one year. In the first competition, held in 1905, 103 schools were entered, the winner being Public School 46, Manhattan. Public School 10, Brooklyn, won in 1906 and again in 1907; Public School No. 9 of Brooklyn won it in 1908. A similar trophy was presented by Mr. Spalding to the Cleveland Public Schools League.

THE BUFFALO SCHOOLBOYS' BASE BALL LEAGUE

The Buffalo Schoolboys' Base Ball League was organized in April, 1905. There were two leagues, a Senior and a Junior. The Senior League admitted boys under eighteen years of age, the Junior League those under fourteen. The following schools were entered in the Senior League: Nos. 6, 9, 12, 24, 35, 37, 39, 44, 45, 53, 58, the Genesee Y.M.C.A., the Holy Family, the Ottawas.

The teams entered in the Junior League were School No. 37 Juniors, No. 44 Juniors, No. 44 Midgets, Y.M.C.A. Juniors, Y.M.C.A. Midgets, the Lebanons, the Sentinels, and the Columbias.

The object of the base ball leagues was to furnish healthful recreation and pastime for schoolboys during the summer months, but it was found that the clubs held together better while school was in session than during vacation. The four teams standing highest in the Senior League were:

	P.C.		P.C.
Ottawas667	Holy Family.....	.400
School No 44.....	.667	Y.M.C.A.250

The cup for the first year was awarded to the Ottawas, as they had won four games, while No. 44 won three games and one by forfeit.

In the Junior League, the Lebanons stood first; the No. 44 Juniors, second; the No. 44 Midgets, third. The cup was awarded to the Lebanons, representing the Lebanon Presbyterian Sunday School.

In 1906 the League did not play any games, as only the Genesee Y.M.C.A. and School No. 44 applied for entrance.

In 1907, owing to the difficulty of managing the outside games, the committee decided to have indoor games played at the Genesee Y.M.C.A. In these games School No. 44 stood first, the Genesee Y.M.C.A. second, and School No. 41 third.

"SLIDING TO SECOND."

Bronze Trophy presented by A. G. Spalding in 1908 to the Public Schools Athletic League of Greater New York, to be competed for annually by the High Schools in that organization. The first winner was Commercial High School, Borough of Manhattan, New York.

POSSIBILITIES

As showing the possibilities of the work of the League, quotations are made from the report of the Secretary of the New York City Public Schools Athletic League, the purpose of which is similar to the Buffalo organization. During the past year in the city of New York no less than 16,333 competitors participated in the various athletic events.

The number of badges won since the organization of the New York City League is as follows:

1904-5	1,162
1905-6	1,654
1906-7	2,563

Buttons are worn with special pride by the boys, as they stand not only for athletic ability but for satisfactory school work as well. Large certificates, provided by the League for enrolling the names of athletic badge winners in each school, have aided in increasing interest in athletics.

RULE I.

ATHLETIC MEMBERSHIP.

The PUBLIC SCHOOLS ATHLETIC LEAGUE recognizes as athletic members all Public School boys of the City of Buffalo who take part in athletic competitions that are given under the direction of the League.

RULE II.

(a) *General.*

ELIGIBILITY.

Attendance of one full month shall be required of all pupils before they shall be entitled to represent their school in athletics.

No boy who has represented any outside organization shall be eligible to compete for any school organization of this League until twenty school weeks have elapsed from the time of such competition, except that summer schools and vacation playgrounds under the jurisdiction of the city and public playgrounds are not considered outside organizations. This does not in any way debar boys from taking part in athletic competitions that are closed to their own organization, even though it may be between different clubs within that organization.

Boys taking part in events unsanctioned by the Public Schools Athletic League of Buffalo render themselves liable to suspension.

Only those pupils who maintain a "satisfactory" grade of scholarship shall be entitled to represent their school in athletics.

No pupil, under penalty of discipline in his school, shall be eligible to represent such school, the Principal of the school to be the sole judge concerning this.

Only those pupils who are in good standing as amateurs shall be eligible to represent their school.

(b) *Public Schools.*

No public school pupil coming from another school shall represent the school to which he goes unless he has attended the school for twenty school weeks, except

(a) He has been promoted from one school to another.

(b) He has been transferred from one school to another by order of the Superintendent of Education.

(c) He has been transferred on account of a change in residence.

(d) He has been admitted from a school outside the public school system of Buffalo.

In order to be eligible for athletics, public school boys must have received for the month previous a mark of at least "satisfactory" in effort, proficiency and deportment.

Public school boys are allowed to enter one event and a relay race only at any set of games. Spiked shoes not allowed.

No entry shall be accepted unless countersigned by the Principal of the school.

A suitable medical examination shall be required of each contestant.

RULE III.

CLASSIFICATION OF COMPETING ATHLETES.

Public Schools.

A public school boy shall be considered a novice until he has won a medal in Public Schools Athletic League games open to all public schools, or, in an event sanctioned by the Public Schools Athletic League and open to all public schools of the city.

In track and field events, etc., the following classifications are made: Midget, 80 pounds; light weight, 95 pounds; middle weight, 115 pounds; unlimited weight, boys of any weight.

The Games Committee may arrange special classes of events to meet special needs.

General.

Boys will be weighed in athletic costume, minus shoes, at the time and place of the contest. A boy shall not be allowed to weigh in a second time in any set of games in case he is found to be over weight at the first weighing. The scales will be set at the weight specified for each class, and any competitor raising the beam so that it touches above shall be ineligible to compete. The average weight of teams will not be taken for relay teams. Boys found to be too heavy for the class in which they enter will not be allowed to compete in any other class.

RULE IV.

ATHLETIC BADGE COMPETITION.

The standards have been set as follows:

For public school boys under 13 years of age:

60 Yards Dash, 8 3-5 seconds.

Pull Up (chinning on bar), 4 times.

Standing Broad Jump, 5 feet 9 inches.

For all other public school boys:

60 Yards Dash, indoors, 8 seconds; or

100 Yards Dash, outdoors, 13 2-5 seconds.

Pull Up (chinning on bar), 6 times.

Standing Broad Jump, 6 feet 6 inches.

The fall and winter records in the broad jump and pull-up shall be considered the records for the first two events in Badge competition.

In athletic badge competitions public school boy's age at the beginning of a school year shall be his athletic age during that year.

In order to avoid confusion the following general rules shall govern the final competition:

There shall be but one trial in chinning, one in the dashes, and three in the jumps.

60 Yards Dash, or 100 Yards Dash.—The general rules of competition, as set forth in the P.S.A.L. Handbook, shall govern this test, except there shall be no finals. With reference to false starts, a competitor shall be penalized in accordance with Rule X.

Chinning.—The boy shall extend himself to his full length before and after each pull-up and shall be obliged to raise his body to such a height as to bring his chin over the bar.

Jumping.—The rules of the P.S.A.L., as set forth in the Handbook, Rules XXVI. and XXVII., shall govern this test, except that, as there is no real contest, i. e., there is no striving for first, second or third places, the finals shall be dispensed with.

The following order of events is suggested:

Chinning, Jumping Running.—As the first two events can in most cases be tried out at the schools, thus leaving the smallest possible number of boys to take the third test, of running, which must of necessity be held at some armory or athletic field.

No boy shall be admitted into any contest who has not received a mark of at least "satisfactory" for the month previous in effort, proficiency and deportment, the Principal of the school to be sole judge in this matter.

In Athletic Badge competitions for public schools, Juniors are all boys under 13 years of age, no matter what that age may be, and Seniors are all other public school boys.

Duplicate lists of the successful competitors, classified as seniors and juniors, shall be made out on blanks furnished by the

Public Schools Athletic League. One copy shall be forwarded to the Secretary of the League, and the other placed on file in the school.

The Public Schools Athletic League will furnish to each school certificate on which the names of the successful candidates may be inscribed.

The Athletic Badge Competition shall take place once a year, and the reports must be sent in before June 1st.

The Juniors and Seniors of the public school who attain the required standard shall each receive an athletic badge.

The Buffalo Times Trophy will be awarded for one year to the school that qualifies for the Athletic Badge the highest percentage of its enrolled grammar boys (net registration, sixth, seventh and eighth year pupils).

The school reporting the highest percentage in the Athletic Badge competition shall be officially tested, and if the percentage attained at the official test is still higher than any other reported percentage, the school shall be awarded the trophy. If, however, in the official test the school falls below other reported percentages these other schools shall be tested in the order of their standing until a school is found whose official percentage is higher than any other reported percentage.

RULE V.

CLASS (GRADE) ATHLETICS.

In this form of athletics a record is made by the whole grade instead of by an individual.

At least 80 per cent of the net registration of the boys enrolled in the grade must take part in order to have the record stand.

If 85 per cent of the boys of a given grade enter the contest the officials must allow 1 per cent increase in the grade average; if 90 per cent enter, 2 per cent increase; if 95 per cent enter, 3 per cent increase; if 100 per cent enter, 4 per cent increase.

This is an increase in Broad Jump and "Chinning," a decrease in Running, and applies to preliminary and official tests.

The number taking part must not be less than eight.

Trophies to be held one year will be awarded by the Public Schools Athletic League to Sixth, Seventh, Eighth, and Ninth Grades for the best Grade Records made in each of the following events:

Standing Broad Jump.....	Tested in the	Fall
Pull up, or "chinning".....	"	"
Running	"	"
		Winter
		Spring

Distances for running: Sixth Grade, 60 yards; Seventh Grade, 70 yards; Eighth Grade, 80 yards; Ninth grade, 100 yards.

Classes may be tested as follows:

Standing Broad Jump—

The best record made in three trial jumps is taken for each boy. The class record is determined by adding the individual records and dividing the total by the number of boys competing. Jumping must be done from a line.

Pull-up—

Each boy must pull himself up until his chin is above the bar, then lower himself, extending his arms to their full length. His feet must not touch the floor during the test. The number of times that he pulls himself up is his record. The class record is found as in the Broad Jump.

Running—

In order to lessen the possibility of error in timing the competitors, the following method has been suggested: The boys are lined up behind the starting mark in the order in which they are to run; the timer, who also acts as starter, stands at the finish line and gives the signal for each boy to start. As the first runner crosses the finish line the second runner is given the signal to start. As the last boy crosses the finish line the watch is stopped. The record is found by dividing the time elapsed by the number of boys competing. If an ordinary watch is used, the first boy should be started when the second hand is over the "60" mark.

Blanks will be furnished for reporting the tests, which are to be sent in as follows:

Standing Broad Jump.....	On or before Nov. 1
Pull-up.....	On or before March 1
Running.....	On or before May 15

Each school is expected to conduct its own tests.

All boys are considered eligible for Class Athletics, subject to the approval of the Principal.

When the records are all in, the three classes having the best records for their grade will be tested officially. If a record is then made better than any other record sent in, the trophy will be awarded to the class making the highest official record. If, however, the records made at the official test are lower than other reported records, the classes will be tested in order until a record is made at an official test that is higher than any other reported or official record.

80 YARDS DASH, BUFFALO P. S. A. L. MEET, JUNE 6, 1908.

This form of athletics is especially desirable, as it gives every boy an opportunity to take part, and the size of the school does not in any way affect the chances of winning a trophy.

The boys should practice by themselves in the yard, on the street, at home, or elsewhere, prior to the tests.

Frequent preliminary tests are recommended.

RULE VI.

CHAMPIONSHIP MEETINGS.

Indoor and outdoor track and field, base ball and basket ball championship meetings shall be held annually at such times and places and with such schedules of events as may be decided upon by the Games Committee.

Indoor and outdoor track and field Novice meetings may be held at such times and places and with such schedules of events as may be decided upon by the Games Committee.

All entries shall be sent to the Games Committee, which Committee may reject any entries it may deem objectionable.

RULE VII.

LIST OF CHAMPIONSHIP EVENTS.

There shall be special lists of championship events for the Public Schools of the City of Buffalo.

100-Yard Dash.
 12-pound Shot Put.
 Running High Jump.
 880 Yards Relay Race
 (4-boy team).

The number of entries allowed from each school shall be determined upon by the Public Schools Games Committee.

The distance for any midget race shall not exceed 440 yards for the team and, wherever possible, it is recommended to have the race limited to 360 yards or less for the team.

Each relay team shall consist of four boys, all of whom must run.

Two substitute entries shall be allowed on each relay team; such entries to be made in regular form on entry blanks, but no entry fee is to be charged and no competitors' ticket issued to substitutes.

No substitute entries shall be allowed in individual events.

There will be a trophy for the all-around championship at each meet, the school scoring the greatest number of points in each meet to win the trophy for that meet.

The points are scored—for individual and relay events alike—on a basis of 5 points for firsts, 3 for seconds, 2 for thirds, and 1 for fourths. All the events on the programme count toward the all-around championship trophy. Suitable trophies may be awarded to each winning relay team in each class.

Medals or badges may be given to those finishing first, second, and third, respectively, in each event.

The signature of the Principal must appear on all entry blanks.

RULE VIII.

BASKET BALL.

1. Contestants must be students of one of the Buffalo Grammar Schools, in good standing, and have attended for at least thirty days the day schools which they represent. They must maintain an attendance between games, of at least 60 per cent during the Basket Ball season. Any regular player who has competed with his team in the second term may continue as a player on the same Grammar School team for the balance of the season provided the Principal of the Grammar School furnish before each game the required certificate of attendance at the High School between the games.

2. Contestants shall not have passed their sixteenth birthday on September 1st. A special committee shall pass upon each player's eligibility before he participates in his first contest.

3. All players from any school shall be approved by the Principal thereof.

4. Previous to entering the first League contest, each player shall file his card of registration signed by the Principal of that school, certifying to the above facts, stating that a physician considers him in suitable physical condition to compete, and such other data as may be required. Before participation in any game, the player shall present a pass card, signed by the Principal of his school stating that he is eligible to play.

5. Each team shall consist of five players and three substitutes, not more than that number being allowed to be upon the list of players representing any one school at any one time.

6. If, for any cause, a player becomes ineligible, he cannot be reinstated during the tournament.

7. Each team must have at least four (4) players upon the floor when the game is called or lose to their opponent by default.

8. The teams entering the League shall be divided into a Class A and Class B league, according to size, the schedule of games, time and place of contests being subject to the decision of the Basket Ball Committee. These two leagues shall then be divided into sub-leagues, playing the games at the Central Department and the Genesee Street Department of the Y.M.C.A., each team in each sub-league playing each other team of the same sub-league. The two teams in each sub-league winning the largest per cent of their games shall then compete for the championship of the Class A or Class B League, which series shall be known as the finals. The team winning the largest per cent of the finals in Class A League shall be awarded the Y.M.C.A. Trophy. The team winning the largest per cent of the finals in the Class B League shall be awarded the King and Eisle Trophy. No player in Class B shall weigh over 105 pounds.

9. All protests shall be referred to the Committee on Protests whose decision shall be final.

10. The award of the cups each season shall carry with it temporary possession of the cups for the ensuing year, and shall become the permanent property of the schools whose teams shall win them for three seasons.

11. The officials of the games shall be selected and appointed by the Basket Ball Committee.

12. All games shall be played under Spalding's A.A.U. Basket Ball Rules.

NOTES.

A chief aim of the Basket Ball League is to maintain excellence in scholarship and deportment in the class-room. This result can be attained by requiring players to maintain a stan-

dard which shall at least be satisfactory to the class teacher on penalty of debarment in case of failure. The Committee urges each Principal to take such action in the matter as will make the games what they are intended—a direct helpful influence upon the work of the school.

It is recommended that each Principal not allow the members of his team to participate in general Basket Ball contests before paid audiences or without competent supervision and officials.

Rule No. 3 gives to each Principal authority to regulate the games played by the team.

RULE IX.

CROSS COUNTRY RUN.

Regular P.S.A.L. rules of eligibility shall apply.

In championship competitions there shall be five members per team, each member of which must weigh over 100 lbs.

The course shall be three miles in length, and must be so marked that the runners may follow it without difficulty.

Only those boys shall be allowed to take part in competitions who have prepared themselves by participation in preliminary runs and have passed a special medical examination for this event.

No contestant shall pass the official pacemaker until within one-half mile of the finish.

Points shall be awarded in the order in which the boys finish: one for first, two for second, three for third, etc.

The Hammond Press Trophy shall be awarded for one year to the team scoring the smallest number of points.

Medals may be given to the first five boys to finish.

RULE X.

INDUCEMENTS.

No school, under penalty of expulsion from the League, shall through any of its officers, or by any other means, directly or indirectly, offer any inducement to a pupil of any other school to sever his connection with such school for athletic purposes.

RULE XI.

PROTESTS.

All protests referring to the eligibility of the contestant must be submitted in writing to the Committee on Protest.

All other protests must be submitted to the Referee of the games, who has it in his power to allow the protested individuals or teams to run under protest.

In case of a boy who is large and mature for his age, the Principal shall look up the record of his birth with all possible care, as a precaution in case he is protested, and present to the Games Committee a birth certificate or parents' affidavit stating date of birth.

The League holds it within its jurisdiction to decide all protests made in events sanctioned by it. These protests are settled by the Special Committee and their decision is final.

In case a boy's amateur status is questioned, the matter shall be referred to the Committee for action.

RULE XII.

ENTRIES.

All entries for competitions held under the Public Schools Athletic League must be made on the entry forms adopted by the League.

These entry forms must be carefully filled out and must be signed by the Principal of the school; otherwise, they shall be rejected. No post entries shall be received.

An entrance fee of ten cents per boy shall be charged for each event in which individual prizes are offered, except in badge competition.

If any competitor enters an event and then fails to compete he must send a valid excuse to the Secretary of the Public Schools Athletic League. Failing in this, he may be suspended.

RULE XIII.

SANCTIONS.

All events or games, whether given by public schools or other organizations, that are open to public school boys, must be sanctioned by the Public Schools Athletic League of Buffalo.

Any championship emblem accepted by any school of the League should state specifically the nature of the championship and of what organization the recipient is champion.

Any boy who competes in games or events that are not sanctioned by the Public Schools Athletic League of Buffalo, renders himself liable to suspension by the Board of Directors, and, if he persists in this participation in unsanctioned events he may be cut off entirely from competition in all events or games given under the sanction of Public Schools Athletic League.

By a recent ruling of the Amateur Athletic Union, school boys competing in events given by organizations outside the League are obliged to register with that body.

The following conditions must be complied with before sanction can be given by the League:

Conditions.

A club or organization giving a public school event must secure the sanction before announcing same.

The conditions under which the race will be held must be printed plainly on the entry blank.

At least five days before the event takes place the names of the contestants must be submitted to the Secretary of the Public Schools Athletic League for approval or disapproval.

In accepting this sanction, the club or organization agrees to abide by the decision of the Games Committee of the Public Schools Athletic League in so far as the eligibility of the different contestants or schools is concerned.

Promoters of athletic meets must distinctly state whether the scholastic event is open to the public schools of Buffalo or the Public Schools of the United States.

The Secretary will notify all schools of the class invited or every event for which sanction has been issued.

All protests as to eligibility, etc., will be settled by the Games Committee of the Public Schools Athletic League.

When an event is sanctioned and prizes duly announced, the event must be run and prizes awarded according to announcement.

RULE XIV.

RECORDS.

No record shall be allowed unless the performance has been timed by at least three timekeepers or measured by at least three field judges.

The Games Committee shall investigate every performance to which their attention is called, and shall reject any record which shall not be supported by the affidavits of at least six witnesses, including the officials, certifying as to the place, time of day, state of weather, condition of path or field, force and direction of wind, level or grade of grounds, weight, measurement and material of implement, and correctness of announced time or distance.

No record shall be allowed unless made in open competition.

A record made at any championship meet of the Public Schools Athletic League of Buffalo shall be known as a Buffalo Public Schools Athletic League record. A record made at a meet sanctioned by the Public Schools Athletic League, but not open to all schools, shall be known as an interscholastic record.

BY-LAWS OF BUFFALO PUBLIC SCHOOLS ATHLETIC LEAGUE

ARTICLE I.

MEMBERSHIP.

SECTION 1. Membership shall consist of Annual, Sustaining, Life and Honorary Members, and of Patrons, Donors, and Founders.

SECTION 2. Any person may become an Annual Member upon payment of One Dollar (\$1.00) or more per year.

SECTION 3. Any person by paying annually more than Five Dollars (\$5.00) and less than Fifty Dollars (\$50.00), may become a Sustaining Member.

SECTION 4. Any member by paying Fifty Dollars (\$50.00) in one sum, may become a Life Member.

SECTION 5. Members paying One Hundred Dollars (\$100.00), Five Hundred Dollars (\$500.00), or One Thousand Dollars (\$1,000.00) in one sum, may become Patrons, Donors, or Founders, respectively.

SECTION 6. Honorary Officers and Members may be elected.

SECTION 7. The annual dues of each member shall be payable on the first day of January in each year, in advance. In case of the failure of any member to pay such dues within ninety (90) days after notice shall be sent to him by the Secretary, his membership shall cease.

SECTION 8. Any member guilty of ungentlemanly conduct or of intentional violation or habitual neglect, of any by-law, rule or regulation of the League, or conduct prejudicial to the interests of the League, may be suspended or expelled by a three-fourths vote of the Board of Directors, on recommendation of the Executive Committee, after an opportunity has been given him to be heard before it. No such action shall be taken against him for any of these causes until the charges made against him shall have been reduced to writing, filed with the Secretary, and a copy thereof served upon him.

ARTICLE II.

DIRECTORS.

SECTION 1. A Board of Directors, which shall not exceed twenty-five (25) members, shall have control and management of the affairs and funds of the League. They shall be members of the League.

SECTION 2. The Directors named in the Articles of Association shall be divided by lot into three classes: the first shall hold their offices for three (3) years; the second for two (2); and the third for one (1) year.

SECTION 3. Any Director absenting himself from five (5) consecutive regularly called meetings of the Board, vacates his office.

SECTION 4. The Directors or Executive Committee shall have power to fill vacancies which may occur in their body from time to time, until the next annual election.

SECTION 5. At each annual meeting, the offices of the Directors whose terms then expire, and also all vacancies, shall be filled by election by the members.

SECTION 6. Five (5) members shall constitute a quorum of this body.

ARTICLE III.

MEETINGS.

SECTION 1. The annual meeting of the League for the election of Directors, and for such other matters as may properly come before it, shall be held on the first Tuesday in December in each year—due notice of which meeting shall be sent by the Secretary to each member. Election shall be by ballot.

SECTION 2. At any meeting of the League ten (10) members shall constitute a quorum.

ARTICLE IV.

OFFICERS.

SECTION 1. The officers of the League shall consist of a President, Vice-President, Treasurer and Secretary. The office of Secretary and Treasurer may be held by one person. All officers, except the Secretary, must be Directors.

SECTION 2. The officers of the League shall be annually elected at the first meeting of the Board of Directors to be held after the annual meeting of the League. They shall hold office at the pleasure of the Directors, and until others are elected in their places.

SECTION 3. The school principals may nominate two Directors each year.

SECTION 4. The President shall perform the usual duties of the office, and shall preside at all meetings of the Directors and of the League.

SECTION 5. In the absence of the President, or in case of his inability to act, the Vice-President shall discharge his duties. Should both be absent from any meeting, the Directors or members present shall choose one of their number to act as Chairman, who shall perform all the duties of the President for the time being.

SECTION 6. The Secretary shall attend the meetings of the League and of the Directors and of the Executive Committee, and keep the minutes of the proceedings, recording ayes and nays, upon all questions whereon such a vote shall be demanded by any Director. He shall conduct and preserve all correspondence; serve all notices, and perform the usual duties of the Secretary. He shall have the custody of all the papers relating to the affairs of the League.

SECTION 7. The Treasurer shall be the custodian of all the moneys and securities of the League. He shall collect and disburse all its moneys, keep accounts of his transactions, and make a written report of the financial condition of the League at its annual meeting, and to the Board of Directors at any such time as it may require—especially salaries and other sums specially authorized by the Directors or the Executive Committee. He shall pay no claim against the League exceeding Ten Dollars (\$10.00), unless the same be first approved by the Finance Committee or Executive Committee. He shall deposit all moneys belonging to the League to its credit in an account to be opened in its name and kept in a bank to be designated by the Directors.

SECTION 8. The Directors may at any time require the Treasurer to give security in such amount as they shall deem proper.

ARTICLE V.

COMMITTEES.

SECTION 1. There shall be an Executive Committee composed of the President, Treasurer and four (4) Directors, elected annually by the Board of Directors, which shall have all powers of the Board of Directors when not in session. This Committee may meet and transact business at the time specified for any meeting of the Board without further or other notice, and shall also meet at the call of the President. Three (3) of this Committee shall constitute a quorum.

SECTION 2. The President shall appoint a Finance Committee, which shall devise and report ways and means for the support of the League, subject to the approval of the Board. It shall

SIXTH GRADE TROPHY—BROAD JUMP.

SIXTH GRADE TROPHY—RUNNING.

examine, audit and certify the accounts of the Treasurer and all bills and claims against the League, except for salaries or sums specially authorized by the Board or Executive Committee.

SECTION 3. No claim against the League exceeding Ten Dollars (\$10.00), save those above excepted, shall be paid by the Treasurer until the same shall have been first approved by the Executive Committee.

SECTION 4. The President shall appoint a Games Committee, the Chairman of which must be a Director, which shall have charge of all games authorized by the League. Such Committee may associate with it persons who are not Directors.

SECTION 5. There shall be such other committees as may be authorized by the Directors. The members thereof shall be appointed by the President, unless otherwise prescribed by the Directors.

ARTICLE VI.

TROPHIES.

SECTION 1. All badges, trophies, etc., shall be accepted only on approval of the Executive Committee.

SECTION 2. All cups and other trophies for annual competition shall be the property of the League until finally won the required number of periods.

ARTICLE VII.

NOTICES.

SECTION 1. All notices to members and also notices to all officers and directors shall be sufficiently served, if mailed to them at the address given by them to the Secretary or Treasurer, respectively.

ARTICLE VIII.

AMENDMENTS.

SECTION 1. These By-Laws may be changed or amended by the unanimous vote or written consent of all the Directors, without previous notice, at any meeting of the Board; also, by a vote of two-thirds of all the Directors at any meeting, provided notice specifying the intended change shall have been served on each Director at least five (5) days before the meeting.

Spalding LONG-DISTANCE

MARATHON "Μαραθών" RUNNING SHOES

SPALDING RUNNING SHOES were worn by many of the American Team at the Olympic Games, London, and the news of the unparalleled success of the men from these shores came to us with the added knowledge that we had contributed in at least some small degree to make their victory so conclusive. We had been building for just this result for over twenty years, or since our shoes have been made in the Spalding Factory, sparing no pains or expense in our endeavor to turn out absolutely perfect athletic shoes, and when the importance of having a shoe expert on the ground with the American athletes at the Olympic Games, London, was borne to us, our expert went to give whatever aid, counsel and encouragement he could to the sterling athletes who competed for the glory of America and the Stars and Stripes.

BUILT TO WIN.

The same models as used by many of the competitors in the famous **MARATHON** "Μαραθών" race at the 1908 Olympic Games, London.

No. MB. High cut. Made with special pure gum "diamond point" rubber soles and special quality black leather uppers. Full finished inside so as not to hurt the feet in a long race. Hand sewed. This is a special shoe, **not** carried in stock, and made to order only. We cannot guarantee the soles on these shoes as they are pure gum, which, while the best and most costly material for the purpose, is not, unfortunately, the most durable. Pair, **\$8.00**

No. MO. Low cut. Made with corrugated tap rubber sole and cushioned leather heel; special quality black leather uppers. Full finished inside so as not to hurt the feet in a long race. Hand sewed. Per pair, **\$5.00**

No. MH. High cut. Made with corrugated tap rubber sole and cushioned leather heel; special quality black leather uppers. Full finished inside so as not to hurt the feet in a long race. Hand sewed. Pair, **\$5.00**

The above represent the three styles most popular among American distance runners.

Spalding Rubber Covered Indoor Shot

(Patented December 19, 1905)

This shot is made according to scientific principles, with a rubber cover that is perfectly round; gives a fine grip, and has the proper resiliency when it comes in contact with the floor; will wear longer than the ordinary leather covered, and in addition there is no possibility that the lead dust will sift out, therefore it is always full weight.

Spalding Combined Knitted Muffler and Chest Protector

No. M. Made of special weight, highest quality worsted in solid colors. Gray, Dark Brown Mixture, and Sage Gray to match our sweaters.

Each, **\$1.00**

SPECIAL NOTICE—We will furnish any of the above solid color sweaters with one color body and another color (not striped) collar and cuffs in stock colors only at no extra charge.

We allow four inches for stretch in all our sweaters, and sizes are marked accordingly. It is suggested, however, that for very heavy men a size about two inches larger than coat measurement be ordered to insure a comfortable fit.

WORSTED SWEATERS. Made of special quality wool, and exceedingly soft and pleasant to wear. They are full fashioned to body and arms and put together by hand, not simply stitched up on a machine as are the majority of garments sold as regular made goods. The various grades in our "Highest Quality" Sweaters are identical in quality and finish, the difference in price being due entirely to variations in weight. Our No. AA Sweaters are considerably heavier than the heaviest sweaters ever knitted and cannot be furnished by any other maker, as we have exclusive control of this special weight.

No. 3

A. C. Spalding & Bros. have, by their rigorous attention to "Standard Quality" for thirty-three years, caused their Trade-Mark to become known throughout the world as a Guarantee of Quality as dependable in their field as the United States Currency is in its field.

CAUTION TO THE BASE BALL BOYS OF 1909

Because of your youth and inexperience, advantage is frequently taken of you base ball boys, by the so called "Just as Good" dealer, who tries to palm off on you some of his "Just as Good" Base Ball goods, made especially for him by the "Just as Good" manufacturer, when you call for the Spalding goods. You are cautioned not to be deceived by this "Just as Good" combination, for when you get onto the field you will find these "Just as Good" Balls, Bats, Mitts, etc., will not stand the wear and punishment of the genuine Spalding articles. Remember that Spalding goods are standard the world over, and are used by all the leading clubs and players. These "Just as Good" manufacturers endeavor to copy the Spalding styles, adopt the Spalding descriptive matter and Spalding list prices, and then try to see how very cheap and showy they can make the article, so the "Just as Good" dealer can work off these imitations on the unsuspecting boy.

Don't be deceived by the attractive 25 to 40 per cent. discount that may be offered you, for remember that their printed prices are arranged for the special purpose of misleading you and to enable the "Just as Good" dealer to offer you this special discount bait. This "discount" pill that the "Just as Good" dealer asks you to swallow is sugar coated and covered up by various catchy devices, that are well calculated to deceive the inexperienced boy, who will better understand these tricks of the trade as he grows older. Remember that all Spalding Athletic Goods are sold at the established printed prices, and no dealer is permitted to sell them at a greater or less price. Special discounts on Spalding Goods are unknown. Everybody is treated alike. This policy persistently adhered to makes it possible to maintain from year to year the high quality of Spalding Athletic Goods, which depend for their sale on Spalding Quality, backed by the broad Spalding Guarantee, and not on any deceiving device like this overworked and fraudulent "Discount" scheme adopted by all the "Just as Good" dealers.

Occasionally one of these "Just as Good" dealers will procure some of the Spalding well known red boxes, place them in a showy place on his shelves, and when Spalding Goods are called for, will take from these Spalding boxes one of the "Just as Good" things, and try to palm it off on the boy as a genuine Spalding article. When you go into a store and ask for a Spalding article, see to it that the Spalding Trade-Mark is on that article, and if the dealer tries to palm off on you something "Just as Good," politely bow yourself out and go to another store, where the genuine Spalding article can be procured.

In purchasing a genuine Spalding Athletic article, you are protected by the broad Spalding Guarantee, which reads as follows:

We Guarantee to each purchaser of an article bearing the Spalding Trade-Mark that such article will give satisfaction and a reasonable amount of service, when used for the purpose for which it was intended and under ordinary conditions and fair treatment.

We Agree to repair or replace free of charge any such article which proves defective in material or workmanship: PROVIDED such defective article is returned to us, transportation prepaid, during the season in which it was purchased, accompanied by the name, address and a letter from the user explaining the claim.

A. G. SPALDING & BROS.

Beware of the "Just as Good" manufacturer, who makes "pretty" Athletic Goods (as if they were for use as an ornament) at the expense of "quality," in order to deceive the dealer; and beware of the substitute-dealer who completes the fraud by offering the "Just as Good" article, when Spalding Goods are asked for.

A. G. Spalding & Bros.

OFFICE OF THE PRESIDENT

June 1st, 1908.

I hereby certify that
Spalding's Official National
League Ball has been the
adopted and only official ball
of the National League since
1878. This ball must be used
in all Championship Games.

THE SPALDING OFFICIAL NATIONAL LEAGUE BALL

"The Ball Played Round the World"

THE ORIGINAL LEAGUE BALL
THE UNIVERSALLY ADOPTED LEAGUE BALL
THE BEST LEAGUE BALL

THERE ARE IN THE UNITED STATES 41 Professional Base Ball Leagues under the control of the National Commission and playing in accordance with the National Agreement and according to the Official Rules. Of these 41 Leagues 28 have adopted the Spalding Official National League Ball. With most of them the adoption has been in effect since the organization of the leagues themselves, while others have adopted the Spalding Ball for periods of from 4 to 20 years, and recently organized leagues from 1 to 4 years. A complete roster of all the Professional Leagues that have adopted the Spalding Official National League Ball during the past thirty-two years would make a list embracing the vast majority of all leagues organized during that time and would be almost impossible to compile, as many leagues adopt the Spalding Ball and fail to advise us of the fact. ¶ The Spalding Official National League Ball was first adopted by the National League in 1878, and is the only ball that has been used in Championship League Games since that time. ¶ In addition to the different American adoptions, the Spalding Official National League Ball has been made the official ball by the governing Base Ball Associations of Mexico, Cuba, Canada, Australia, South Africa, Great Britain, Philippine Islands, Japan, and, in fact, wherever Base Ball is played. The Spalding Official National League Ball has received this universal adoption because of its well established reputation for uniformity and high quality, but the special object of such adoptions, from the players' standpoint, is to secure absolute uniformity in a ball, that will prevent unfair "jockeying" with an unknown ball, and make National and International Base Ball contests possible, and at the same time make the records of players of value, and uniform throughout the world, which can only be secured by standardizing one well known ball.

The Spalding Official National League Ball

is used by Yale, Harvard, Princeton and all prominent college teams, and by the soldiers and sailors in the United States Army and Navy. In fact, the Spalding Official National League Ball is in universal use wherever Base Ball is played. Once in a while a minor league will experiment for a short time with some other ball, but invariably returns to the Spalding Official National League Ball, which has now become universally recognized

Gold Medal Autograph Bats

FOR THE PAST THIRTY YEARS, or since our Base Ball Bat Factory was established, we have turned out special model bats to suit the leading players of the prominent professional leagues, and our records will show hundreds of different bats made in accordance with the ideas of the individual player, many of whom have been league record-makers.

The models that have been adopted have been duplicated by us from time to time as they have required additional bats, and in hundreds of cases we have been requested to furnish to other players duplicate bats that have been made for and used by well-known players.

In order to satisfy the ever-increasing demand from our customers for bats of the same models as used by leading players, we have obtained permission from many of the leading batters of the country to include in our line of high-grade bats these **Gold Medal "Autograph" Bats**, bearing their signature.

Space will not permit a description of all the various models, but the following models have been selected as examples of what we are producing in this special "Players' Autograph" Bat Department.

No. 100.
Gold Medal "Autograph" Bats
Plain oil finish.
Price, \$1.00 Each.

Frank L. Chance
Autograph Model

This is a very large Bat with a fairly thick handle. Bats supplied will not weigh less than 45 nor over 48 ounces. Length about 35 inches.

Geo. F. Stone
Autograph Model

This is a large Bat, the same length as the Chance model, but somewhat different shape and not quite as thick handle. Bats will not weigh less than 43 nor over 46 ounces. Length 35 inches.

M. J. Donlin
Autograph Model

This is also a large Bat, about an inch shorter than the Chance Model, but with more bulk throughout and a somewhat heavier handle. Bats will not weigh less than 46 nor over 50 ounces. Length about 34 inches.

Chance Model Stone Model Donlin Model Bresnahan Model Evers Model Heeler Model

Roger O. Bresnahan
Autograph Model

This Bat is somewhat shorter than the Chance model, medium thick handle and rounded end. Bats supplied will not weigh less than 41 nor over 43 ounces. Length about 32½ inches.

John J. Evers
Autograph Model

A symmetrically shaped Bat of good bulk and medium thick handle. Bats supplied will not weigh less than 42 nor more than 45 ounces. Length about 32½ inches.

Wm. H. Heeler
Autograph Model

This model and the Chance Bat touch the two extremes in models and weights used by the great majority of prominent professional players. The Heeler Model is short and has fairly thin handle. Bats supplied will not weigh less than 36 nor over 39 ounces. Length about 31 inches.

CORRESPONDENCE—If you wish any particular model bat, and will describe the bat you require, the length, weight and full description of same, and address any of our branch stores, the matter will be taken up, with the hope of furnishing our customers with the exact model and style and weight of bat that they require. This will come under our special "Players' Autograph"

Bat Department. This entire department is looked after by the manager of our Professional League Base Ball Department, who is familiar with most of the types of models used by the leading players, and to whom will be referred any unusual model. **As these bats are made to order only, at least two weeks' time may be required.**

Every article bearing the Spalding Trade-Mark carries with it not only our guarantee of quality, but also an assurance to a most critical clientele that it will satisfactorily serve its intended purpose. We will not call an article wool when there is cotton in it, nor will we use ingredients or material calculated simply to reduce the price at the expense of quality.

Spalding "Black Diamond" Bat

This bat is of same quality as our Gold Medal Autograph Bats, and is furnished in the most popular models. The special finish which we use on this one grade is a similar preparation to that which many professional players rub on their own bats, and has a tendency to darken the color of the bat.

Spalding Record Bat

PLAIN OIL FINISH

This Spalding Record Bat is made from the most popular models, but finished in rough and ready style, with no polish—simply the plain oil finish. Packed one dozen in a crate (assorted lengths from 30 to 35 inches and weights from 36 to 42 ounces), as nearly as possible in the following proportion:

LENGTHS

WEIGHTS

1-30 inches	2-33 inches	1-36 ounces	2-39 ounces
1-31 inches	4-34 inches	1-37 ounces	4-40-41 oz.
2-32 inches	2-35 inches	2-38 ounces	2-41-42 oz.

These lengths and weights are given approximately and as a rule the shortest lengths will be the lightest weights.

The Record Bat is especially recommended for club use, including college and school teams.

No. 75. Plain Oil Finish. Each, 75c.

Spalding Boys' Record Bat

Same finish, quality and models as the Record, but shorter lengths and proportionate weights.

An absolutely first grade boys' bat.

No. 50B. Each, 50c.

Spalding Mushroom Bat

PATENTED AUGUST 1, 1905

The Knob Arrangement at the end of the bat enables us to get a more even distribution of weight over the whole length than is possible under the old construction, making it for certain kinds of play practically invaluable, and as an all around bat we have received many letters from prominent professional players testifying to their appreciation of the good points in its

construction. Only the very best quality of air-dried timber has been used and every one is carefully tested by an expert before leaving our factory.

No. 50M. Plain Bat, Special Finish. Each, 50c.

If inferior material is allowed to enter into the construction of something which has a reputation to sustain, ultimate disaster and loss of reputation and trade is the result. Spalding Athletic Goods are always satisfactory and quality is never allowed to deteriorate.

Spalding Trade-Mark Bats

Since 1877, when we introduced the Spalding line of Trade-Mark Bats, they have been recognized as standard by players to whom quality is a consideration. Wherever possible, we have improved both style and quality from time to time and the assortment as now made up comprises absolutely the most up-to-date and thoroughly trustworthy styles that can be produced. The timber used in their construction is seasoned in open sheds, exposed to the weather from two to three years before using, thus ensuring not only a lighter and stronger bat, but also retaining the life quality and driving power of the natural wood.

It is in the Spalding Basemen's Mitts that the full advantages of the special "molded face" feature can be seen and appreciated. These mitts, which from the very moment they are put into play should adapt themselves to the conformation of the hand, cannot be simply slapped together without regard to shape. The leather in the face must first of all be most carefully selected, and only the very best portions picked out for the peculiar stretching and molding process which goes so far towards making Spalding Basemen's Mitts the perfect articles they are. Then the padding must be shaped properly by hand to form the necessary "pocket" and after that the other special features, only found in our goods, must be added, in order to make them worthy to bear the Spalding Trade Mark.

ALL STYLES MADE IN
RIGHTS AND LEFTS

It is our policy to treat all with whom we come in contact in a fair manner. We believe the consumer appreciates the fact that the dealer who handles our athletic goods can make a legitimate profit. Spalding Athletic Goods are made to be used by reasonable people, and no reasonable man expects anyone to work and use his capital for nothing.

A vacillating policy in business finance leads to failure. A vacillating policy in the matter of quality leads to deterioration and dissatisfaction. A vacillating policy as to price leads to dishonesty. The Spalding Policy is distinctly opposed to vacillation. Spalding's Trade-Mark Athletic Goods are not intended for ornaments, and they don't always look as pretty as similar goods of other manufacturers who often-times cater to artistic and aesthetic tastes of the dealer rather than to the requirements and necessities of the boy and sportsman who want them for hard usage. Possibly if such manufacturers had to back up a guarantee like the Spalding, they might go in more for strength and utility and less for beauty.

GUARANTEE

We guarantee to each purchaser of a Tennis Racket bearing the Spalding Trade-Mark that it will give satisfaction and a reasonable amount of service, when used solely for Lawn Tennis playing, and under ordinary conditions, and fair treatment. If this Racket proves defective in workmanship or material during the current year, please return, transportation charges prepaid, to any Spalding Store or to the Dealer from whom it was purchased, and the defect will be rectified. Imperfectly strung Rackets will be re-strung, and in the event of a broken frame due to workmanship or defective material, the Racket will be replaced.

We urge that at the conclusion of play this Racket be rubbed dry, and when not in use be covered with a Waterproof Cover, placed in a Racket Press, and the gut occasionally varnished.

We will supply, if required, but cannot guarantee, any rackets weighing less than thirteen ounces.

Keep Your Racket in a Dry Place, Otherwise This Guarantee Is Void.

"We are just out of the Spalding article asked for, but here is something 'Just as good' at 25 per cent. less price."

Spalding Cautions the Consumer

to make proper allowances for these "JUST AS GOOD" manufacturers and substitute-dealers' statements, but see to it that the Spalding Trade-Mark is on, or attached, to each Spalding Athletic article, for without this Trade-Mark they are not genuine Spalding Goods.

We are prompted to issue this Caution to users of Spalding's Athletic Goods, for the reason that many defective articles made and sold by these "Just as Good" manufacturers and dealers are returned to us as defective and "unsatisfactory, and which the consumer, who has been thus deceived, has asked us to repair or replace under our broad Guarantee, which reads as follows:

We Guarantee to each purchaser of an article bearing the Spalding Trade-Mark that such article will give satisfaction and a reasonable amount of service, when used for the purpose for which it was intended and under ordinary conditions and fair treatment.

We Agree to repair or replace free of charge any such article which proves defective in material or workmanship: PROVIDED such defective article is returned to us, transportation prepaid, during the season in which it was purchased, accompanied by the name, address and a letter from the user explaining the claim.

A.G. Spalding & Bros

Beware of the "Just as Good" manufacturer, who makes "appearance" first and "Quality" secondary, in order to deceive the dealer; and beware of the substitute-dealer, who completes the fraud by offering the consumer the "Just as Good" article when Spalding's Goods are asked for.

Standard Quality

An article that is universally given the appellation "**Standard**" is thereby conceded to be the Criterion, to which are compared all other things of a similar nature. For instance, the Gold Dollar of the United States is the Standard unit of currency, because it must legally contain a specific proportion of pure gold, and the fact of its being Genuine is **guaranteed** by the Government Stamp thereon. As a protection to the users of this currency against counterfeiting and other tricks, considerable money is expended in maintaining a Secret Service Bureau of Experts. Under the law, citizen manufacturers must depend to a great extent upon Trade-Marks and similar devices to protect themselves against counterfeit products—without the aid of "Government Detectives" or "Public Opinion" to assist them.

Consequently the "Consumer's Protection" against misrepresentation and "inferior quality" rests entirely upon the integrity and responsibility of the "Manufacturer."

A. G. Spalding & Bros. have, by their rigorous attention to "Quality," for thirty-three years, caused their Trade-Mark to become known throughout the world as a Guarantee of Quality as dependable in their field, as the U. S. Currency is in its field.

The necessity of upholding the guarantee of the Spalding Trade-Mark and maintaining the Standard Quality of their Athletic Goods, is, therefore, as obvious as is the necessity of the Government in maintaining a Standard Currency.

Thus each consumer is not only insuring himself but also protecting other consumers when he assists a Reliable Manufacturer in upholding his Trade-Mark and all that it stands for. Therefore, we urge all users of our Athletic Goods to assist us in maintaining the Spalding Standard of Excellence, by insisting that our Trade-Mark be plainly stamped on all athletic goods which they buy, because without this precaution our best efforts towards maintaining Standard Quality and preventing fraudulent substitution will be ineffectual.

Manufacturers of Standard Articles invariably suffer the reputation of being high-priced, and this sentiment is fostered and emphasized by makers of "inferior goods," with whom low prices are the main consideration.

A manufacturer of recognized Standard Goods, with a reputation to uphold and a guarantee to protect, must necessarily have higher prices than a manufacturer of cheap goods, whose idea of and basis of a claim for Standard Quality depends principally upon the eloquence of the salesman.

We know from experience that there is no quicksand more unstable than poverty in quality—and we avoid this quicksand by Standard Quality.
